Dear NDCS families,

Here at NDCS we have a **zero electronics** policy. This means NO electronic devices (ipad, cell phone, gaming devices, etc.) will be allowed in student possession on campus. If devices are brought onto campus after this letter is received, they will be confiscated. If a device is confiscated they will be released at the end of the day with a parent or guardian present, devices will not be returned directly to the student.

Thank you for your cooperation!
