I am enrolling my child \_\_\_\_\_ for the time slot and days shown in the above chart. **I have the option of dropping my child off at 7:30 a.m., at no extra charge.** My total monthly fee for the schedule above will be \_\_\_\_\_. Tuition is due on the first of the month. Payments received after the tenth are delinquent, and a \$30.00 late fee will be added. For every day after the tenth that the payment is late, \$1 a day will be added to the late fee. I also agree to pay fees for late pick-up, if necessary.

It is agreed that the schedule purchased above is reserved for my child and that my child is thereby guaranteed this spot at school. **If my child was not enrolled at NDCS for the last academic year, I agree to pay a \$75.00 enrollment/supply fee.** This fee is included in the first tuition payment only and reserves space for my child in the summer camp program. It is used for the purchase of supplies and curriculum materials for my child during the summer. I also understand that NDCS has the discretionary right to dismiss my child from the program, with one week's advance notice, in the event that severe behavioral, emotional, and/or social problems arise that consequently impede my child's or other children's success at school. Children will not be dismissed from NDCS until a parent-student-teacher conference has been held and various classroom interventions/ modifications have been tried, with little or no headway being made toward resolving the concerns at hand.

If I, as the parent or guardian, fail to pay tuition and other agreed charges or expenses when due, NDCS may procure the services of an attorney to collect and bring an action against me to recover the sum. I promise and agree to pay the reasonable collection costs and attorney fees, and if an action is filed in court, I also promise to pay (1) reasonable attorney fees to be fixed by the court; and, (2) all reasonable collection costs incurred or expected to be incurred subsequent to judgment, to be fixed by the trial court by general and supplemental judgment.
